Online Applications

★★★★★ 5.00 Mar 18, 2021 - May 26, 2021

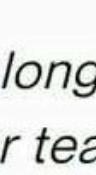

"Ahmed was excellent to deal with from the start all the way through the project and to the end! I have worked with a lot of different programmers, and Ahmed is right at the top of the list. Ahmed, it has been a pleasure working with you and look forward to our next project!"

\$1,050.00 Fixed Price

Developer needed for online order form with video content and editing features

★★★★★ 5.00 Apr 14, 2020 - Oct 9, 2020

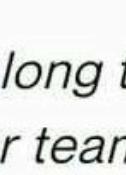

"Ahmed is one of the best developer i ever worked with. Fast, very organized and he thinks with the project. He not just programs but thinks of what the user will experience and make with that the journey even better while still making sure what we want is possible and will run smoothly. I truly look forward to the next job with Ahmed, it is rare to find such good and reliable freelancers, especially when it comes to web development that is more than just a basic website."
